For Example:

John Smith was born on March 1, 1947 in Springfield, Wisconsin. He graduated from High School in 1965. John joined the Army in 1967 and did two tours in Vietnam serving as a flight engineer. On October 1, 1970 he married Jane Doe and they went on to have four children and three granddaughters. After leaving the Army, John worked as a maintenance mechanic for more than 30 years. He was a volunteer firefighter and an avid volunteer with the local VVA chapter and VFW post. He was incredibly proud of his service to his country. He had a wonderful sense of humor and was passionate in teaching his children and grandchildren new things. He enjoyed traveling whenever he could with trips to Mexico, Ireland, France, Texas, California, Florida, and Arizona. There was always room for golfing with friends and his wife. He passed away on October 7, 2010 due to Non-Hodgkin's Lymphoma caused by exposure to Agent Orange during his service in Vietnam. John lived life to the fullest until the end and will be greatly missed by his friends and family.
